

# St Anastasia Church Synod Listening Sessions

Walking together, inspired  
by the Holy Spirit

FOR A SYNODAL CHURCH  
COMMUNION ● PARTICIPATION ● MISSION

**What would you say to Pope Francis if you were to meet him?  
He wants to hear from you!**

Pope Francis is inviting all Catholics to participate, pray, reflect, and share thoughts and ideas about our Church with consideration of two important questions:

1. How is “journeying together” happening today in our parish?
2. How are we “walking together” as a Church, and what steps does the Holy Spirit invite us to take to grow?
